Town Hall Meeting with Consul General and Ambassador

August 14, 2014

The American Citizen Services and the Embassy of the United States would like to invite American citizens resident in Bangladesh to a town hall meeting to introduce our new Consul General, Elizabeth Gourlay, and to engage with us in a discussion with Ambassador Mozena on issues that affect American citizens in Bangladesh.

The event will be held on August 28, 2014 from 2-4 pm in the Bougainvillea Room at the American Club in Dhaka, Bangladesh. Seating is limited and if you wish to join us at this exciting event, please email DhakaACS@state.gov with your full name and U.S. passport number. Admittance to the town hall will not be granted to those who have not sent an RSVP. On the day of the event, if you have RSVP'd and are not a member of the American club, bring your passport for entry.

We would appreciate it if questions for the Ambassador and Consul General were submitted ahead of time to DhakaACS@state.gov with the subject line: *August 28 town hall meeting question*. There is no guarantee your question will be selected as we will be looking for a representative sample. Please do not send personal questions or inquiries about specific cases.
